COVID Supplementary Procedure on Foursomes and Greensomes format

o Each partner should use their own golf ball, which is only handled by that player. For example, the player teeing off from hole 1 is the only player that touches the ball from teeing off through to completion of the hole. The partner teeing off from hole 2 does likewise with their ball.

o When marking and replacing the ball on the putting green this should be conducted by the partner the ball belongs to. Under this situation (or any other where the ball must be replaced) the original ball must be used and must not be substituted by another ball.

o Under the Rules of Golf, a partner is permitted to drop the side's ball in taking relief. It is also permissible to drop another ball when taking relief.
